Camping is an outdoor activity involving overnight stays away from home in a shelter, such as a tent. Generally, participants leave developed areas to spend time outdoors in more natural ones in pursuit of activities providing them enjoyment. To be regarded as camping, a minimum of one night is spent outdoors, and camping may be combined with hiking, as in backpacking, and is often used in the context of outdoor survival. 

This guide offers information and tips for camping, backpacking, and RVing, including advice on finding recreation information and making reservations on campgrounds, tours, and wilderness areas. It also provides insights into the best American experiences, including camping spots, national parks, forests, tours, and more. 

Discover Camping Spots, National Parks & Forests, Tours and More. Discover the best American experiences, learn about epic camping spots, national monument tours, and hiking through pristine national parks and forests. Shop camping gear at Cabela's, featuring all your camping equipment including tents, sleeping bags, outdoor cooking, survival and navigation equipment. 

Whether you are an experienced camper that enjoys long backcountry hikes or someone who is new to camping and interested in outdoor adventures, this guide is designed to provide you with the information and resources you need to plan your next camping trip.
