Charlemagne in Spain. The cultural legacy of Roncesvalles.

by B. Sholod

Charlemagne or Charles the Great numbered Charles I, was King of the Franks from 768, King. His rule spurred the Carolingian Renaissance, a period of energetic cultural and intellectual activity. Finally, Louis was in charge of the Spanish March and fought the Duke of Benevento in Roncesvalles campaign. Charlemagne in Spain. The cultural legacy of Roncesvalles. (Book Charlemagne’s imperial behaviour is evident from early in his reign. 1950) and Barton Sholod, Charlemagne in Spain: The Cultural Legacy of Roncesvalles
