Dead Girl 2: Fader Boy is a novel written by Mark Boss and published in 2002. It is the second volume in the Dead Girl series, following the first book, Dead Girl: Fader Boy. The story continues the adventures of Dahlia Grove, a middle school student who discovers that her destination after death is the town of Dead Girl, where she is reincarnated as a young girl and becomes involved in a series of mysteries.

The novel explores themes of identity, mortality, and the afterlife, as Dahlia navigates her new life and tries to find her way home. The writing style is engaging and descriptive, with a strong focus on characterization and world-building.

The series has been well-received by readers and critics alike, with positive reviews praising the unique premise and well-crafted narrative. It is recommended for fans of mystery, fantasy, and paranormal fiction.
