Forbidden Mountains

by Vivien Lougheed

Forbidden Mountains are a series of mountains in Russia and Central Asia. They are known as Forbidden Mountains in the book Forbidden Mountains: Most Beautiful Mountains in Russia and Central Asia by Paola Possolini Sicouri. The book was published in 1994 and is a compilation of records from official sources. The Forbidden Mountains are considered to be some of the most beautiful in the world and are home to a variety of wildlife.

Maleficent's castle is located in the Forbidden Mountains in the movie Maleficent. The Forbidden Mountains are also the setting for the novel Forbidden Mountain: My Journey to Nepal and Elsewhere by Vivien Lougheed.

The Forbidden Mountains are considered to be a dangerous mountain region due to their remoteness and the challenges of climbing them. However, some tourists choose to climb them despite the risks. The highest peak in the Forbidden Mountains is Mount Khanchenjunga, which is the third highest peak in the world.

The Forbidden Mountains are also associated with the evil fairy Maleficent, whose domain is located in the forbidden mountains. The book Forbidden Mountains: Most Beautiful Mountains in Russia and Central Asia provides information about the mountains and their significance in both nature and culture.
