Spitsbergen: an account of exploration, hunting, the mineral riches & future potentialities of an Arctic archipelago

by Robert Neal Rudmose Brown

mineral riches & future potentialities of an Arctic archipelago. Scottish adventurer James Lamont led hunting expeditions to Svalbard (1858). However, most importantly, Lamont provided the first account of Arctic exploration, hunting, the mineral riches & future potentialities of an Arctic archipelago.

London, Seeley Brown, RN Rudmose 1879-1957 (Robert Neal Rudmose) - WorldCat Spitsbergen an account of exploration, hunting, the mineral riches & future potentialities of an Arctic archipelago.
